

Cherryfield Narraguagus Historical Society
September 17, 2026
Meeting began at 6:20 PM

Those in attendance: Kelley Wescott, Crystal Hitchings, Sarah LaSagna, Rick Harter

A motion was made by Crystal to approve the August minutes. Kelley seconded. All approved.

Rick made a motion to approve the withdrawal of \$6000 from our Maine Community Foundation account . Sarah seconded the motion. All approved. Denise will make the withdrawal.

Sarah made a motion that we accept the financial report Denise submitted to take us through the end of the year. Crystal seconded it. All approved.

We reviewed the lease agreement with the Academy. All approved. Kelley will send it to Lori for the Academy board's approval. Next we will set a date for signing. Kelley will make a revision to the member's letter and resend to the group.

We had an open discussion about things we would like to do once we are moved including moving some display cases from the museum, putting together digital photo frames to be placed in various locations in the town and eventually purchasing a printer/scanner that we can use for letters, newsletters, scanning old photos, etc. Crystal mentioned poster size photos she had seen at another historical society that was set up to be turned like the poster display used to be at Spencer Gifts.

Rick will turn the water off at the museum. We will start moving the garden tomorrow. Mary has some picture frames for sale at Town Square. We might try to get some of those.

Sarah requested a check for \$750 so she can order everything for Shiverwalk. Kelley will get a check to her tomorrow.

Sarah will check with UPS regarding a cost to print brochures for Shiverwalk. Rick suggested Sarah check with Quinn to see if he would be interested in building some things for Shiverwalk.

Rick unlocked the Legion Hall so we could look at the basement. There is plenty of room to store the contents of the barn, once we have gone through what we will keep and what we will sell. There also appears to be an opportunity to have a temperature controlled, individual room to store more sensitive items. We will check with Peter and Lori to see when we can meet with the Legion board.

Meeting adjourned at 7:20 PM.
